Welcome to Long Lake Township. During your visit to our community, we hope you enjoy the peaceful beauty of this special place and ask that you do your part to help keep it that way.

Please be considerate of neighbors, many of whom are year-round residents. The neighbors are likely not on vacation as you are and don't earn a penny from your rental. Consider that the neighbors may

- Have young children who go to bed early
- Need to get up early in the morning to get to work
- Have health considerations that make them susceptible to smoke from campfires
- Hear a lot of what you say, especially when you are outside

You get the idea. Common courtesy goes a long way and is easy.

[see reverse for more information]

Emergencies: call 911

**24/7 Short-Term Rental
Complaint Hotline:
(231) 239 - 6474**

We don't regulate common courtesy but we do have some very commonsense rules that we strictly enforce. Under Long Lake Township Short Term Rental Ordinance #178, you (the short-term renter), the rental's manager, and the property owner are all subject to ticketing and hefty penalties if these rules are not observed:

- **Short-term renters may not park any vehicle (including boats, trailers, jetskis, etc.) on any public or private roadway. "Roadway" includes the pavement, shoulder, and easement for the road. Please park on-site.**
- **Trash outside must be kept in appropriate containers with tight-fitting lids.**
- **The number of short-term renters in a rental must not exceed the number allowed by the Township as shown on the short-term rental certificate. (Guests of the short-term renter count toward this number if they are on premises between the hours of 11:00 PM and 7:00 AM)**
- **Quiet hours are between 11:00 PM and 7:00 AM**
- **Pets must be secured on the premises or on a leash**
- **Campfires must be contained in a fire ring, no closer than 10 feet from any structure or combustible material, be under the direct supervision of an adult at all times, and must be fully extinguished prior to leaving the fire**
