November 2018

America Recycles Day is on November 15th. Because that also happens to be the date of a significant holiday here in northern Michigan, we have decided to celebrate recycling all week long! How you may ask? Well, one simple thing you can do is to visit our **Take It Back** directory to learn of all the items that are recyclable in our area. If there is something you can not find a solution to, we urge you to submit a request so we can help you find that solution. Happy November!!!

With the help of the DNR and the Boardman River Clean Sweep crew, The Grand Traverse County Resource Recovery Department (RecycleSmart) have cleaned up all but 2 of the known illegal dumpsites in our county!
