

Happy Birthday and Anniversary to all our October Long Lakers

A special thank you to the GTC Senior Network for their help in funding the Long Lakers Activities

## Long Lakers Activity Calendar October, 2020

Shelley Evans, Senior Director 231-631-4479 [Richeleva@aol.com](mailto:Richeleva@aol.com)

Happy October Long Lakers! I hope this newsletter is encouraging and finds you all well.

- October luncheon will be Thursday, October 8<sup>th</sup> @ noon in the parking lot @ Long Lake Friends Church. Asking everyone to bring your own sack lunch and lawn chair. Tailgate, wagon round-up, whatever you decide to call it! It will be nice to see each other carefully.
  - Some ideas to discuss at our luncheon: Virtual Game Night: an evening of shared delight provided by online games that include anything from virtual trivia to boardgames.
  - Book Club: (books greatly appreciated).
  - Computer help available with social distancing. Call Shelley to set up a time.
- Euchre is on hold until January-March 2021.
- Pickle Ball Courts are available. Must bring your own equipment and REMEMBER TO SOCIAL DISTANCE.
- Although Bocce Ball this year has been shorter and different, Bocce never disappoints. The group would like to continue through October, if possible. Please join us on Wednesday afternoons at 4:30 at the Township Bocce Courts. Remember to bring your mask, chair, and beverage. Pizza is \$3.00. If the temperature drops below 50 degrees and/or rain, Bocce is automatically cancelled.
- Exercise Classes. Call Penny Morris at 932-0668 for type of classes and availability.
- Walking Club will continue until weather stops us. Continue to walk and turn your miles in to Heidi at the township office. 946-2249. Winners will be announced at the November luncheon.
- **Let's Eat Out!** Tuesday, October 13<sup>th</sup>. A restaurant with outdoor seating. We will discuss at our October (outside) luncheon, weather permitting.

### FALL MISSION-JUBILEE HOUSE.

Our group is starting with a nice box of hats, gloves & scarves but we do need sample size shampoo, conditioners etc. While we are home more, we have a little extra time to possibly look for items to donate. New tooth brushes, tooth paste, dryer sheets, feminine products, laundry soap, any unopened hygiene products will be greatly appreciated. I would like to deliver these items by the end of November rather than December this year.

Don't forget to drop off or mail your absentee ballot early!! Blue drop off box in front of Township.

Dates to remember: October 12<sup>th</sup>, Columbus Day, October 16<sup>th</sup> Bosses Day, October 31<sup>st</sup>, Halloween.
