

## Butterfly Monitoring 2016

Training for monitoring butterflies will be held at Grass River Natural Area.

James Dake, the Education Director for Grass River is going to lead it and Erwin Duke Elsner will be assisting him. Duke taught the identification portion of the training last year.

All of the information including registration is on our website [www.michiganbutterfly.org](http://www.michiganbutterfly.org). The training dates for Traverse City are as follows: Indoor training - Tuesday May 17 - 5:00-8:00pm and the Outdoor training - Saturday May 21 - 10:00am-12:00pm (this time may change to later in the afternoon).
