

Dear Twin Lakes Park guest:

We are writing to inform you that ownership of Twin Lakes Park is in the process of transferring from Grand Traverse County Parks and Recreation to the Charter Township of Long Lake. The transfer is expected to become effective on September 7, 2023.

Grand Traverse County Parks and Recreation staff will continue to manage all reservations, regardless of the actual reservation date, until September 7.

- If your reservation is scheduled to occur prior to September 7, Grand Traverse County Parks and Recreation will remain as your point of contact and will manage your reservation through completion.
- If your reservation is scheduled to occur on or after September 7, your reservation for Twin Lakes Park will be transferred to the township at that time and the dates, terms and fee schedule applied when you reserved the facility will still be honored. We will provide you with the appropriate contact information for Long Lake Township representatives and, if applicable, insurance endorsement information as our transition date draws closer.

We appreciate having the opportunity to work with you. If we can serve any of your future needs through Grand Traverse County Parks, complete information about our parks and reservation processes can be found at www.gtcountymi.gov/parks or you may reach us at 231-922-4818.
